LB 223
LR 23

answer any questions though. If not, I urge that it be advanced.

SPEAKER NICHOL: Any discussion on the bill? I see no lights. The question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk.

CLERK: 37 ayes, 0 nays, Mr. President, on the motion to advance the bill.

SPEAKER NICHOL: The bill is advanced. LR 23CA.

CLERK: Mr. President, LR 23 was offered by Senator Wesely and a number of the members. (Read.) It was referred to the Reference Committee and ultimately referred to the Constitutional Revision and Recreation Committee for public hearing. The resolution was reported to General File. Mr. President, there are committee amendments pending by the Constitutional Revision and Recreation Committee.

SPEAKER NICHOL: Senator Rupp.

SENATOR RUPP: Senator Wesely will explain LR 23. I am sure most of you are familiar with it. It is the constitutional amendment that would allow us to meet in December prior to the long session for reorganization purposes every other year. The committee amendments are just clarifying in nature. Insert the word "regular" prior to "ninety-day". Insert "preceding of". As you can see, just very simple clarifying language to make it read a little better. Strike "when" and insert "on which". Just technical amendments. I would urge your adoption.

SPEAKER NICHOL: Any discussion on the committee amendments? Senator Haberman, your light is on.

SENATOR HABERMAN: I will speak to the bill.

SPEAKER NICHOL: Okay. Any further discussion? If not, the question is the adoption of the committee amendments. All those in favor vote aye, opposed nay. We are voting on the adoption of the committee amendments. Record, Mr. Clerk, please.

CLERK: 26 ayes, 0 nays on adoption of the committee amendments, Mr. President.
